EXPERIENCE

WEB DEVELOPER

CodSoft(Internship)

2024 - Present

- During my internship, I gained practical experience in web development by applying my knowledge of HTML, CSS, and JavaScript to create responsive and user-friendly web pages. I actively collaborated with senior developers to troubleshoot issues, implement design changes, and optimize website performance. Through this opportunity, I strengthened my coding skills and learned valuable teamwork and communication skills essential for a career in web development.
